EXPERIENCE **United States Marine Corp, Camp Pendleton, CA Nov 2015 - Nov 2019**

Cyber Network Operator

- Conducted troubleshooting and diagnostics on several laptops ranging from 60 to 80 for senior management
- Received and answered anywhere from 150 to 160 calls about help-desk-related problems
- Managed and observed around 13 personnel that organized and accounted for high-priced technical equipment

Data Systems Administrator

- Helped maintain computer software and databases for computer systems
- Handled SIPR (Secret Internet Protocol Router) and NIPR (Non-classified Protocol Router) hard drives and computers for specific operations
- Led a four-man team in accomplishing the configuration of switches, resulting in the connectivity between multiple types of machinery from random locations

LEADERSHIP EXPERIENCE AND ACTIVITIES

- Non-Commission Officer (Supervisor)
 - Supervised and mentored close to 21 individuals in the understanding of administration and help-desk basics
 - Counseled up to six underlings in communication and leadership skills
 - Guided many juniors on proper respect when addressing clients
